An applicant to the Tucson Philharmonia's Symphonic Training Program is expected to participate in his/her school instrumental music program unless the school does not offer an ensemble for his/her instrument or an unavoidable schedule conflict exists. Fill in the applicant's school information.

The Tucson Philharmonia's 2010-2011 Symphonic Training Program (rehearsals, workshop, and concert schedule) has been designed to coordinate with AMEA/ABODA sanctioned school music festivals, as well as with SAT and ACT testing dates. Musicians who are heavily involved with sports teams or other extracurricular activities on Saturdays are advised to check the Philharmonia's 2010-2011 Rehearsal Schedule (shown in this brochure) before applying for membership. Because of the limited number of rehearsals, attendance is necessary to benefit fully from the Philharmonia's unique educational program.

I have read this brochure carefully, understand the membership requirements, and give permission for this applicant to audition for the 2010-2011 Tucson Philharmonia Symphonic Training Program.
