The Tucson Philharmonia's 2025-2026 Symphonic Training Program (rehearsals, workshop, and concert schedule) has been designed to coordinate with school music festivals, as well as with SAT and ACT test dates. Applicants who are involved with other activities on Saturday mornings can be members of TPYO but are advised to check the Philharmonia's 2025-2026 Rehearsal Schedule (shown in this brochure).
